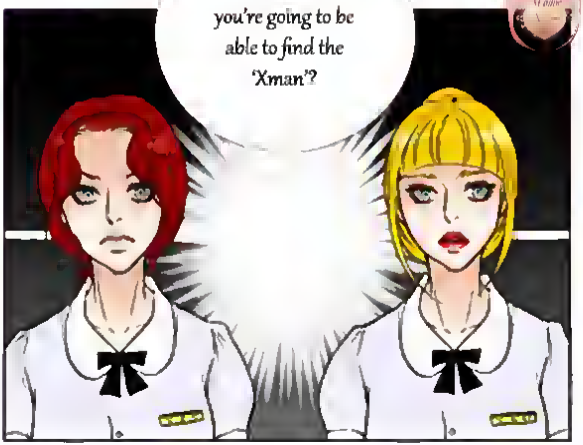
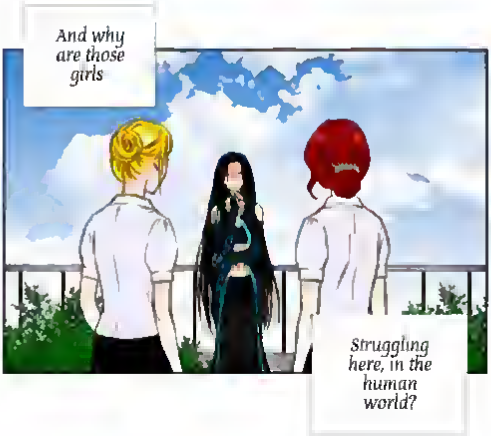
Mojo Manhua Scans

So let's see.

You think you're going to be able to find the 'Xman'?



Shojo Manhwa Scans



Shojo Manhwa Scans

...Truth be told, it's been a long time since 'witches' started having contact with humans

Not that kind of contact...

Bhoja Akanksha Scans

The only reason for that being,

Making 'descendants'.

Shojo Atashiwa Scans

Of course at first, there was a sufficient amount of witches-
Since they lived for a long time, they could have everything 'to their heart's content' and there was no problem, but...

Shojo Manhwa Scans

As a result of the witch huntings in the Middle Age, their population diminished drastically
Because of some 'occasion', the witches also became sick and old which led them to know of 'death'

Shojo Manhwa Scans

In the end,
for the sake of sustaining
the witches,

The elders joined
hands with the
humans.

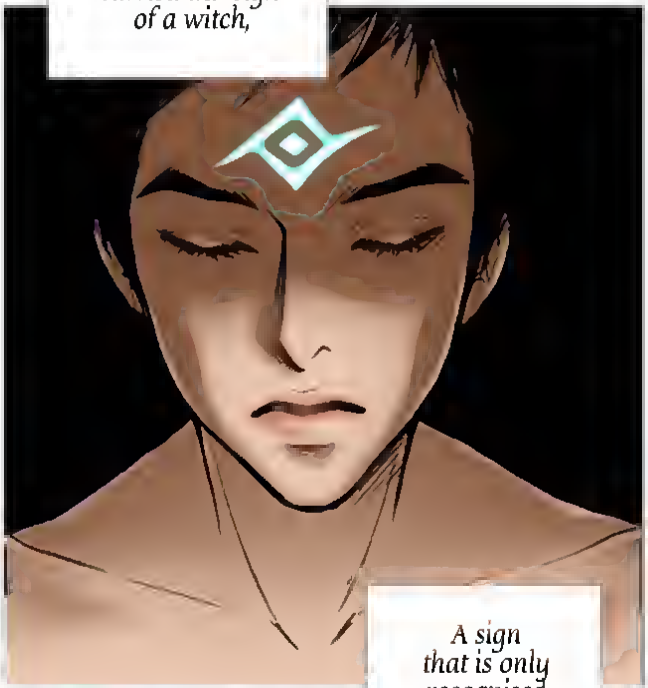
Shojo Akaibara Scans

And the great men coming from that chosen lineage

Are called 'Xmen'.

Shojo Manhwa Scans

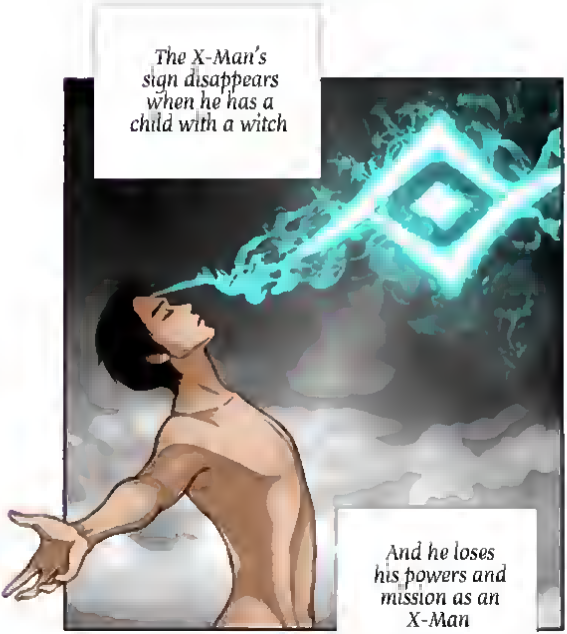
Humans who grew as 'X-MAN' carried the 'sign' of a witch,



A sign that is only recognised by witches.

Mojo Manhwa Scans

However, there is only one chance.



Shojo Manhwa Scans

That was the first term the forefather of X-Man held up.
The witches concluded and were determined, not wanting to becomer horses.

Shojo
Manhwa
Scans

Because it was difficult to be given so many chances, no mistakes would be forgiven.

Shojo Manhwa Scans
